

Help us stop the expansion of shared surfaces

You can help stop the expansion of shared surfaces. There is an early day motion, a petition, which only MPs can sign, active at the moment that is calling on the Government to instruct local authorities to halt the conversion of areas in to shared surfaces until the Department of Transport has published research on the issue. Please urge your MP to sign EDM 496. To send an email directly to your MP asking them to do this please go to www.guidedogs.org.uk/sharedstreets.

Help keep public spaces safe for everyone, and demand that no more shared surfaces are built.
