

Newspapers

Finding out what's going on in the world can be a big challenge. The following services may help you to keep up-to-date.

Talking newspapers

Talking newspapers allow deafblind people to have access to the news. There are various options available including tape, disk, e-mail, via the TNAUK Bulletin Board, CD-ROM or through their website at www.tnauk.org.uk (opens a new window).

AIRS - Access to Information & Reading Service

AIRS is based in Gateshead in the North East and provides a similar service. Further details are available on their website at www.asaplive.com/AIRS/Home.cfm (opens a new window).

Talking Teletext

Talking Teletext is service allows people with a visual impairment to access the information available on a TV's Teletext service. More details from [Talking Teletext's website](#) (opens a new window).
