

Naturalamp book light

The Naturalamp book light offers soft-white illumination that is extra-easy on the eyes when reading or writing close-up. It offers a full spectrum, produced by a state-of-the-art Cold Cathode fluorescent mini-tube. The illumination is super-bright, ultra-soft, and colour-correct offering the highest quality of light for reduced eye strain. Naturalamp can clip on to various sized books or reading stands to offer focused light to that area while reading or writing. Arm extends to approximately 200mm and easily forms to compact position for storage or can be put in a handbag or pocket.

Supplier	Trinity Xtras
