

Easy 5 mobile phone

An easy-to-use, pay as you go, mobile phone with five large speed dial buttons, which can be programmed to dial your five most important telephone numbers.

Simple "one touch" to make and receive calls - press the button that holds your chosen number to be dialled. In-built speaker allows you to switch to handsfree during your conversation, has ten polyphonic ringtones as well as a vibration alert for discreet calling and supplied with a neckstrap, an earpiece and mains charger. Standby time 60-100 hours, talk time 2-3 hours

Available in red and black
