- [Penpals - Amanda](#) Lives in New Zealand. "I would like a penpal because I would like to meet people who have the same condition - to date I've met only very few others with Usher."
- [Penpals - Arthur](#) Lives Barnsley, has Usher 2. "I would like to meet people of either sex to broaden my social circle and have a laugh with".
- [Penpals - Ben](#) Lives in Reading, has Usher 2. "I would like to talk with others with Usher 2 but I'd also welcome contact from family or friends of an Usher sufferer".
- [Penpals - Cheryl](#) Lives in Warwickshire, England. "I like music, having a laugh and going to the pub. I would like a penpal because I would like to meet people who have the same condition."
- [Penpals - Christine](#) Lives in Ottawa, Canada. "I am a world traveller, I would like to meet people who are part of thousands of deafblind communities around the world."
- [Penpals - David](#) Lives in Berkshire, has Usher 2. "I participate in various sports including Golf, Tenpin Bowling and Darts".
- [Penpals - Ellie](#) Lives in Gwent, Wales and loves working with small animals as a volunteer at a zoo. Wishes to share her experience with other people with Usher 1.
- [Penpals - Glenda](#) Lives in Chorley, has Usher 2. "I would like penpals for chat on my computer e-mail and msn chat room. Sometimes I am lonely at home."
- [Penpals - Helen](#) Lives in north east England. "I would like a penpal particularly who has Usher. I do not know anyone who has this syndrome and at times I feel it can be quite isolating."
- [Penpals - John](#) Lives in Ballymoney, Northern Ireland. I have Usher. I would like to meet and chat with people who are deafblind.
- [Penpals - Julie](#) Lives in Southampton, England. "I want to meet and make new friends and hope to meet a deaf man for love and romance."
- [Penpals - Julie](#) Lives in Preston, England. "I would like to have contact with others with Usher. I'm a young 58 year old person with Usher 2, I have a guide dog and would like a pen pal."
- [Penpals - Kiran](#) Lives in Bradford, England. "I want to write to people who have similar condition as me. I have been married for nearly 10 years and got two beautiful children who can hear and see. Life is so hard, but I have to get on with it."
- [Penpals - Laura](#) Lives in the UK, has Usher 1. "I would like making new friends".
- [Penpals - Laura](#) Lives in Portland, Missouri, USA. "I would like to have a penpal because it will give me something to do and I do not want to be lonely any more!"
- [Penpals - Lynn](#) Lives in Northern Ireland, has Usher 1. "I would like to get in touch with people who have Usher 1".
- [Penpals - Marcus](#) Lives in London, England. "I have Usher 3. I find it very difficult living with Usher and also find myself very isolated. I am slim built, tall, easy-going guy. I'm very creative and looking for friendship as well as love. My interests include travelling and sightseeing, martial arts, animals and watching documentaries."
- [Penpals - Marloes](#) Lives in The Netherlands. "I would love to have a female penpal to exchange braille letters with. With or without a disability you are welcome to contact me. I can still read handwriting so anyone is welcome to write me letters using paper and pen."
- [Penpals - Milly](#) Lives in Leicestershire, England. "I'm 22 and trying to find out what support I can get to make my life easier. I would like to see how other people with Usher cope."
- [Penpals - Nick](#) Lives in London, England. I would love to meet people who have interest in art, experiemntal cooking and good chats.
- [Penpals - Nigel](#) Lives in Newmarket, Suffolk. "I'd like to to chat online with someone like myself who has type 2 usher syndrome as I find it isolating when I'm living in a village."
- [Penpals - Noreen](#) Lives in Ireland. "I would like a lot of penpals with Usher because I would like to have a wide circle of friends where we all understand each other - it's nice to take a break and communicate with others on my own level!"
- [Penpals - Rachel](#) Lives in United kingdom. "I'm a student. I usually giggle with my mates, watch films, do mountaineering, go to the pubs, eating in and out, reading, and listen to current affairs."
- [Penpals - Rebecca](#) Lives in Pennsylvania, USA. "I would like to get to know anyone with Usher type 2 and find out how they cope and live their daily lives. I've never met anyone else with Usher before so it is hard to relate to anyone. I just finished school for medical assistant."
- [Penpals - Samantha](#) Lives in Bangor. "I would like to meet people who have the same things as me, and to make new friends. I am 25 year old married mother of 2. I am an out going woman who wants to make new friends."
- [Penpals - Satomi](#)
- [Penpals - Sharon](#) Lives in Rotherham. "I do a lot of craft activites. I enjoy cooking and playing the computer keyboard."
- [Penpals - Steve](#) Lives in Nottingham, has Usher 3. "I want to get to know friends who either have the same deafblindness as myself or people with other types of deafblindness. I want to receive penpals from both the Usher and other groups please."
- [Penpals - Stewart](#) Lives in Cumbria, England. "My name is Stewart and I'm 40. I have Usher syndrome. I live in Cumbria, near Lake District. My hobbies are travelling, walking, youth hostelling, music, reading, socialising, restaurants, and holidays."
- [Penpals - Tina](#) Lives in Wigan, United Kingdom. "I would like a penpal who has Usher like me, so that we can talk about daily life and things like that. I am married with two children (1st aged 13 and 2nd aged 10) and am very proud of them."
- [Penpals - Yvonne](#) Lives in North Wales. "I read braille and it is the only way I can keep in touch with folks but I would like to email penpals as well. I'm married and have grown up childre. I love dogs and horses but hate cooking and housework."
