

Health, wellbeing and congenital rubella syndrome conference

A Sense and Sense Scotland practice sharing event

You can download a detailed report from this March 2009 conference, which brought together our knowledge about the effects of congenital rubella syndrome, especially as people get older, and how individuals with this condition can be supported.

Download the report

- [Report on conference \(doc, 470kb\)](#)

Detailed information about the range of conditions associated with congenital rubella syndrome – and how people with CRC can be supported to live healthy lives.

- [Report on conference - large print \(doc, 475kb\)](#)

- [Summary report on conference \(doc, 138kb\)](#)

Summary of the main themes addressed at the conference.

- [Summary report on conference - large print \(doc, 140kb\)](#)
