

Implementing the guidance

Sense has been working with local authorities since the deafblind guidance was first issued (2001). We are able to provide information and advice to support the implementation of the guidance in relation to children, adults and older people.

Please [contact the information and advice team](#) for advice and access to support.

- [Reaching Out - a toolkit for deafblind children's services](#) This toolkit explains how to put the deafblind guidance into action for children.
- [Fill in the Gaps](#) Advice for social services older people's teams about how the guidance relates to their work
