

## Celebrity supporters

Sense is fortunate enough to have relationships with a number of high profile celebrity supporters. They are all invaluable in spreading the message of how Sense campaigns on behalf of and works alongside deafblind people and their families. They help us spread our key message - that every deafblind person is entitled to lead as full and active a life as possible.

Our celebrities help us in a number of vital ways; by becoming the public face of a launch or appeal, attending an event to raise essential funds, or appearing at an event with our corporate partners.

We are very proud of the famous faces who continue to support us and would like to say a huge thank you to each and every one.
