

## Dancing On Ice judge hosts Sense's skating competition

The action took place at Broadgate Ice Rink near Liverpool Street station in London and saw our corporate teams battle it out on the ice to raise money for Sense. They pit their wits and nerve during a series of heats which included speed skating, slalom and a nail-biting broomball penalty shoot out.

Sense would like to say a huge thank you to all our corporate friends who took part which included Thames River Capital, Slaughter and May, Penrose, Gift Fundraising and Dechert. A big thanks also to Queensway Ice Dancers who gave an amazing performance.

Some pictures from the event:
