

Usher syndrome

- [Living a new sound](#) From the Spring 2006 issue. Would a Cochlear Implant help me? Supposing I couldn't hear music again? I did a lot of hard thinking before going ahead – but now I'm really glad I did. By Russ Palmer.
- [Usher 2: how is it for you?](#) From the Autumn / Winter 2004 issue. Usher 2 sometimes seems like an invisible condition. It has no outward signs, and many people don't realise they have it. And plenty of doctors have never heard of it. What is it like to live with this hidden syndrome?
- [The transition period for young people with Usher – Spring 2010](#) FRANCESCA WOLF explores the challenges and rewards for young people with Usher as they move into adulthood – and offers some guidance about getting the best out of the opportunities that are available.
- [Young people with Usher](#) From the Autumn / Winter 2000 issue. Francesca Wolf reports on the challenges facing young people with Usher.
