

Fundraise in your local community

Sense relies on the energy and initiative of fundraisers at work, school and in the community, to continue our work with deafblind people.

There are many ways that you can raise money for Sense, all of which contribute directly to helping deafblind people.

We have a dedicated Community Fundraising Team around the country, who are able to support you with your fundraising ideas and needs.

Please contact your [Community Fundraising Manager](#) should you have any ideas about fundraising for Sense.
