

Who we help

Sense aims to help deafblind people of all ages and abilities along their path to leading a fulfilling life, in which they are able to effectively communicate with the world around them. To find out more about some of the deafblind people we help, please click on one of the boxes below to read their story.

Read stories of people we support

[Jay's story](#)

Jay is a little boy receiving specialist help with his communication and education.

[Janet's story](#)

Janet has Usher, but this hasn't prevented her from becoming highly qualified.

[Noah's story](#)

Sense's Woodside Centre helps children like Noah and their loved ones communicate with special sensory stimulation activities like music therapy..

[Samantha's story](#)

Samantha communicates by using hand-on-hand signing.

[Sue and Andy's story](#)

Sue and Andy met through Sense eight years ago.

[Edith's story](#)

At 96, Edith can talk the hind leg off a donkey...
