

GE

CSR in action

 GE believes that Sense is a truly worthwhile cause. The support that GE provides Sense really makes a difference, and that makes a difference to GE and to GE employees involved in the partnership. 

Ros Atterwill, UK Corporate Communications Manager

GE has supported Sense through their Christmas Ball, participating in Sense events and activities and providing volunteers for our Sense service in Barnet, North London. GE donated 345 man hours to transform an unused allotment space into a sensory allotment for everyone that visits our centre in Barnet to benefit from. GE continues to support Sense through fundraising activities and events.
