

Your company and Sense

Communication is integral to Sense's work, and the best of businesses have good communication central to their success.

Our corporate partners enjoy the business benefits of working with a national charity while helping us bring about positive change to the lives of deafblind people, amongst the most disadvantaged and marginalised people in our society.

Among the [many business benefits](#) that will come from partnering with Sense, you can expect:

1. support from an experienced corporate team
2. innovative communication challenges for your staff
3. life changing projects in your local community.
