

Sense College East Governing Body 2025 - 2026 AY

The Governing Body of Sense College East is made up from appointed members of the public (known as Lay Governors) with skills and experience from business or education backgrounds; along with a Sense College education team staff representative, a Sense College education student representative and College Senior Management Team. Members of Sense Executive team may also attend. The Governing Body oversees the governance of Sense College which involves providing support and challenge to the college leadership team and ensuring the college is well managed.
